

Privacy Policy for Big Boom Game

Effective date: 15.04.2026

1. Introduction

Thank you for choosing to play "Bomb Catcher." This Privacy Policy describes the information we collect, how we use it, and your rights regarding that information. By using our game, you consent to this Privacy Policy.

2. Information Collection

For the purpose of displaying on the leaderboard, our game collects the following information:

Profile image

Name

This information is collected solely from your Google account when you sign in using Google authentication.

3. Storage of Information

We use Firestore by Firebase to store the user data collected. Firebase is a trusted and secure database solution but we recommend you review Firebase's own Privacy Policy to understand their practices.

4. Use of Information

We use the information collected for the following purposes:

To display your name and profile image on the game's leaderboard.

We do not share, sell, rent, or trade your personal information with third parties for their commercial purposes.

5. Data Security

We implement various security measures to protect the safety of your personal information. While Firestore by Firebase provides robust security measures, no electronic transmission or digital storage is 100% secure, so we cannot guarantee its absolute security.

6. Children's Privacy

Our game is not intended for children under 5 years of age, and we do not knowingly collect personal information from children under 5. If we learn we have collected or received personal information from a child under 5 without verification of parental consent, we will delete that information.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

8. Contact Us
